Community Bank Beaufort Sponsorship Applicant Guidelines For eligible organisations in our community

Version 4.0
Prepared: 31 May 2024

This assessment process has been designed to help organisations in our communities to apply for sponsorship funding.

Introduction

Being part of Bendigo Bank is about being part of something bigger. While we provide excellent banking and financial services, we aim to give back to our community. By banking with us, our customers are also helping to support their communities through our sponsorship program.

Our community sponsorship program facilitates mutually beneficial partnerships with eligible organisations in our community.

What is a sponsorship?

A sponsorship is an arrangement with Community Bank Beaufort to support an event, activity, individual or organisation through the provision of money, goods, or services.

Our sponsorships typically provide a tangible benefit to both the recipient (which benefits through receiving material support) and the sponsor (which benefits via enhanced public image and access to a wider audience). The recipient is required to provide some service back to the sponsor, such as advertising or tickets.

Note:

- Charitable donations are not sponsorships. Please talk to us about whether these may qualify via our grants program.
- Direct advertising is not considered a sponsorship.

Sponsorship program objectives

Beaufort Community Financial Services will approve sponsorships that support community organisations rather than specific projects and, in most cases, should seek to achieve the twin goals of supporting those organisations while also providing business development opportunities and thus a “return” on the sponsorship.
